VETS ROCK

Press Release

For Immediate Release;

Georgia based veterans charity VETS ROCK launches their “A Home for the Holidays” Fundraising Campaign to give a homeless veteran a home on December 25th, 2010

Warner Robins, GA – September 2010: VETS ROCK, a Georgia based 501©3 Tax Exempt Veterans Charity announced that it has launched an official fundraising campaign called “A Home for the Holidays”. It is the sole intention of VETS ROCK to raise enough funding between September 2010 and December 2010 to be able to secure a small single family home that will be given to a homeless veteran in the state of Georgia on or about December 25th, 2010. Once the needed funding has been raised, VETS ROCK will then choose a veteran of the US Military who served our nation honorably, yet has found themselves homeless and unable to secure a regular and stable home for themselves. VETS ROCK will choose the veteran based on applications submitted by veterans themselves and by those who know a particular veteran who is homeless living on the streets or is living in a transitional state where they may be bouncing from friend to friend, relative to relative or shelter to shelter. VETS ROCK is accepting direct cash donations for this campaign online through its official website www.vetsrock.org and sister website www.therealvetsrock.weebly.com both websites are set up to accept donations from supporters using credit or debit cards through secure servers. Supporters are also encouraged to send checks or money orders made payable to VETS ROCK to PO Box 7902, Warner Robins, GA 31095. VETS ROCK encourages both individuals and business organizations of all sizes to get involved in supporting the efforts and mission of VETS ROCK.
